

CHRISTOPHER POTVIN SCHOLARSHIP FUND

2024 APPLICATION

What is the Christopher Potvin Scholarship Fund?

In 1987, a young teenage boy, Christopher Potvin, was killed in an automobile accident. Chris was a good student, an outstanding athlete and a GREAT kid. Later that same year, we created this scholarship fund in honor of him. We have awarded hundreds of \$1,000 scholarships to deserving student athletes ever since.

If you are...

- a good student (B average or above)
- a varsity athlete
- respected and admired by faculty, coaches, peers, and the community

...then you should apply for this scholarship

I like to think our son, Christopher, was all the above. That's why in addition to athletic and academic performance, good character qualities will be paramount in our awarding a scholarship.

Things to know before you apply:

1. Editable pdf versions of the application are available at chrispotvinfund.org
2. Your application should be submitted simultaneously with letters of recommendation if possible. If a school needs to send letters separately, that is permissible as well. Letters should be addressed to the Christopher Potvin Scholarship Fund. These should be from:

 - b. Administration or Guidance Department from your school.
 - c. Other non-related persons who can attest to your character, sportsmanship, community involvement or outstanding recognition, etc.

Our annual appeal, which includes teachers, coaches, friends, families and prior recipients, has contributed greatly to the success of the Christopher Potvin Scholarship Fund for over 35 years. This, combined with our Annual Golf Tournament, has allowed us in recent years to award at least (40) \$1,000 scholarships annually to deserving student athletes throughout the region. For this, we say thanks to all who have helped keep Chris' memory alive while affording us the opportunity to give back to the community.
